## This week, February 19— during our 2nd hour, 7:00-8:00 Kid\$, Parent\$ and Money Matters® Workshop

Jesus Company is pleased to offer a free class for parent\$ and kid\$. Aldona Reid will present *Money Matters*, a values-based, money management workshop. Although geared for elementary kids, younger siblings may attend along with their parents. Parents gain a better understanding of how to reflect on the values they want their kids to learn and practical tools to make teaching about money fun. Kids discover three basic money choices: \$hare, \$ave and \$pend and begin to understand that money can be used to help others. They will be given a \$pecial bank to help them practice what they learn.

Ideally, parents will attend this workshop along with their children, but kids will certainly benefit even if parents are not able to attend with them.
